

Deaf Ministry Professional Development Conference

Growing Disciples
THE CHURCH
OF ENGLAND

7th – 9th October 2019

The Hayes Conference Centre, Swanwick, Derbyshire, DE55 1AU

Our Deaf Ministry Development Conference is the chance to get together with colleagues for an extended time of fellowship and learning together. This year, our theme will be “Growing Disciples” as we focus on this important aspect of our ministry.

There will be sessions from invited speakers, but also make use of the expertise we have among our colleagues. As usual, we are working in partnership with Deaf Anglicans Together and value input from its members.

The Conference is open to anyone involved in Deaf Christian ministry. All are welcome.

BSL/English Interpreters will be present for the whole conference to make sure everyone can access everything.

The all-inclusive cost is £300. Booking is via an Eventbrite invitation. To request an invitation, or for more information contact Gill Behenna: gill.behenna@churchofengland.org
